Federal Financial Aid

Most federal financial aid can be applied to U of U Learning Abroad programs. Make an appointment with your financial aid counselor to determine financial aid eligibility by visiting Student Services Building, Room 105, or calling 801.581.6211.

Learning Abroad Student Fee Scholarship

Every matriculated University of Utah student is eligible for the Student Fee Scholarship. The selection of scholarship recipients is a random, lottery-based procedure.

Learning Abroad Social Media Scholarship

Sharing learning abroad experiences can benefit the participant, as well as prospective learning abroad students. Recipients of the Social Media Scholarship will document their experiences using social media such as blogs, vlogs, tweets, and Instagram.

Learning Abroad Diversity Scholarship

The Learning Abroad Diversity Scholarship is intended to increase the number of diverse students participating in University of Utah Learning Abroad programs. Under-represented students may include, but are not limited to students from under-represented racial and ethnic groups, students from low-income families, students from rural areas, students who are first-generation college students, and students with disabilities. Recipients are selected on the quality of the essay they submit and financial need.

Office for Global Engagement Merit Scholarship

Available for summer programs only. Scholarship decisions are based on academic merit, financial need, and the application essay.
