

## Faculty Led Visa Recommendations for U.S. Citizens Traveling with an American Passport

**IT IS YOUR RESPONSIBILITY TO DETERMINE IF YOU NEED AN ENTRY VISA AND ACQUIRE THE APPROPRIATE VISA FOR YOUR PROGRAM BEFORE DEPARTURE. Not all destinations require a visa. If you are a U.S. citizen traveling with an American passport, basic recommendations for entry visas can be found below. You may also have to meet additional entry requirements. Examples of other entry requirements include, but are not limited to, documentation proving that you have certain immunizations or paperwork indicating that you have a certain amount of money available to you. The University of Utah is not responsible for establishing visa requirements or granting student visas. Visa requirements, fees, procedures, and required documentation are established and enforced by the host country. Final decisions on whether or not a visa is granted are made by government of the country you are visiting. Requirements, fees, and processes are subject to change at any time.**
